

IACT COLLECTIVE TOOLKIT 05 VISION

1 A clear Vision is a guiding light that holds the team together and attracts others to the venture. It is important for each team member to contribute their hopes for the venture.

2 Call out the specific words you like from the individual statements. Write them on separate sticky notes.

3 Mix and match your favourite words and fill in the gaps to form a compelling, ambitious, and realistic vision.
4 Write the final version below.

1 INDIVIDUAL VISIONS

In secret, each team member should write a statement representing their desired future state for the venture.

Don't share these until you've all finished, and then put the statements here.

2 FINDING COMMON GROUND

Once you have finished, circle the words that are similar, repeated and/or best represent what you want to achieve together.

Re-write these favourite words on a sticky note, one word per note.

3 COMBINE INTO TEAM VISION

Mix and match the words individual words to build out a sentence. You can keep as many or as few of your original ideas as you like!

Once everyone in your team is happy, write the final version below
